

## **Reduce the Impact of Record High Fuel Prices**

### ***Save up to 20 cents off per gallon***

The average price of a gallon of gas is quickly rising, leading some business owners to rethink their routines and spending.

Let your member benefit with WEX fuel cards reduce the impact of these rising fuel prices. For businesses that frequently fill-up, this member benefit gives you access to exclusive savings.

WEX fuel cards are free to use with no setup or monthly card fees and you can use the card at over 95% of stations nationwide. Receive both a great promotional fuel price and an attractive discount that sticks around for the life of the card. Right now, you can **save up to 20 cents off per gallon** at Exxon Mobil, Sunoco, Philips 66, Conoco, 76, Shell and Stripes.

**Visit [wexinc.savings4members.com](http://wexinc.savings4members.com) for more information on ALL available fuel card brands and their current promotions.**
